

## 4:30 PM – Call Meeting to Order

### Approval of Minutes

August 19, 2025

### New Business

None

### Old Business with Updates

#### **Drain Layer Bonding Process and Bylaw Language change**

- Discussion regarding the current bonding process for drain layers and updates to the language in the current sewer bylaws.

### Old Business, No Updates

#### **1. Flow Metering Project updates**

Discussion on the 10-week flow metering project, which concluded in June.

#### **2. Tyngsboro Sewer Meter Pit upgrades**

Discussion on upcoming upgrades for aging meter pits in Tyngsboro.

#### **3. Wheeler Village F.M Redirect**

Updates on the previously abandoned Wheeler Village force main redirect project.

### Schedule Next Meeting

### Adjournment

The matters listed above are those reasonably anticipated by the Chair that may be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.
