## Agenda

### 4:30 PM – Call Meeting to Order

### Approval of Minutes

September 9, 2025

### New Business

#### 1. Murphys farm permit fee Discussion

A discussion on permit fees regarding the upcoming Murphys farm development.

#### 2. Wheeler Street pump station upgrades

A discussion on the necessary upgrades to accommodate the increased flow resulting from the Murphys Farm development.

### Old Business with Updates

#### 1. Tyngsboro Sewer Meter Pit upgrades

Discussion on upgrades for aging meter pits in Tyngsboro.

### Old Business, No Updates

#### 1. Flow Metering Project updates

Discussion on the 10-week flow metering project, which concluded in June.

#### 2. Wheeler Village F.M. Redirect

Updates on the previously abandoned Wheeler Village force main redirect project.

#### 3. Drain Layer Bonding Process and Bylaw Language change

Discussion regarding the current bonding process for drain layers and updates to the language in the current sewer bylaws.

### Schedule Next Meeting

### Adjournment

The matters listed above are those reasonably anticipated by the Chair that may be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.
