This health plan, alone, does not meet Minimum Creditable Coverage standards and will not satisfy the individual mandate that you have health insurance; however, the Commonwealth of Massachusetts has stated that enrollment in Original Medicare (Medicare Part A and Medicare Part B) satisfies these standards.

YOUR CARE

With Managed Blue for Seniors, you have the convenience of selecting a doctor who is close to your home. Your primary care physician attends to all of your health care needs, including hospital services and referrals to specialists.

We make health care easy. As a member, you'll receive a Blue Cross and Blue Shield ID card. It's one of the most recognized health care cards anywhere. In most cases, you're covered either in full or with just a copayment.

WHEN YOU TRAVEL, YOU'RE COVERED

If you have a medical emergency away from home, you're covered for an emergency room visit and one medically necessary follow-up visit with a copayment for each. This copayment is waived if you are admitted to the hospital or for an observation stay. If the hospital is not covered by Medicare, you may have to file the claim yourself to be reimbursed for your expenses. To learn more, see your plan description, or call Member Service at the toll-free phone number shown on the back of your ID card.
